

Athlete Code of Conduct

The Bogus Basin Nordic Team (BBNT) helps young people in Ada County reach their full potential, both as athletes and as people, through cross-country skiing. BBNT is a competitive ski team, open to junior athletes (age 9-19) of all abilities. With the payment of tuition, all members and parents of members should understand that being on the BBNT is a privilege and not a right. All athletes, parents, guardians and staff members must read, understand, sign and abide by the Code of Conduct.

Being an athlete for BBNT requires focus, desire and self-discipline to succeed. These skills will aid the athlete in achieving their personal goals while they are on the team and beyond. It is expected that the athlete will be ready to listen, learn, respect and cooperate with BBNT coaches, parents, teammates, and volunteers. By joining BBNT you are making the choice to lead a healthy, positive lifestyle that will enable you to attain your personal goals and make BBNT the best possible experience for yourself and the others on the team.

BBNT athletes are also expected to serve as role models for younger team and community members. While Nordic skiing is an individual sport, BBNT is a team. It is important for BBNT to remain a close-knit community of athletes, coaches and parents; we can all achieve more supporting and working together than we can separately. Therefore, every person in the community needs to realize that their conduct has an effect on him/herself and on the BBNT community as a whole. This will occasionally require giving up some personal liberties to maintain a smooth functioning community.
